THE GRADUATING

CLASS OF 1994

FRED EBBETT

A TRIBUTE

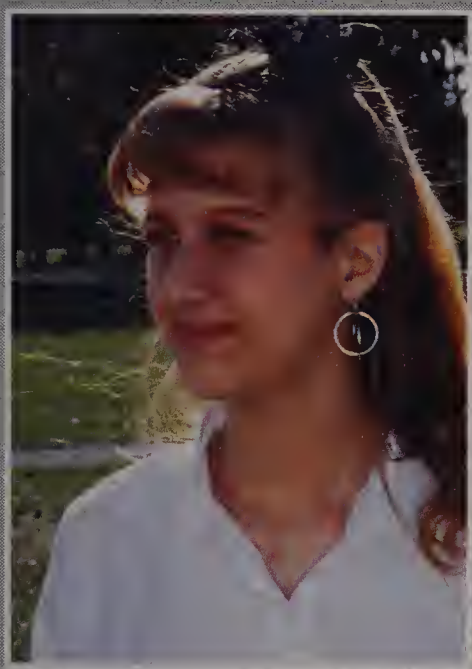

1954 - 1994

Thank you for 35 years of working with the youth of Harwich High School. You have served our students as a teacher, and you have challenged their minds. You have served our students as coach and Athletic Director and you have trained their bodies and their spirits. You have served our students as assistant principal and you brought to them a respect for order and law and the reason for education. In administering justice you have been calm. In your fairness you have been kind.

We thank you and we love you.

Hi! I am the AFS'er from TURKEY. I admit that I like to eat turkey. First of all I would like to thank all of Harwich High School citizens for their friendliness and for their help. I believe that it is never hard to love people and the difference in character, difference in culture or difference in customs is not an excuse to be prejudice. In my point of view, the truth and the best is the same. Every good thing is based on loving. When I am terrified because of loneliness and because of the rude behaviors, I dream about the days in which I became a part of your lives. I experience and I learn. I learn not to give up when I didn't get any answers to my questions or any "hello's". I've learned never to give up, to love, and to hope.

I was in the darkness; I could not see my words; nor the wishes of my heart. Then suddenly there was a great light - "Let me into the darkness again" When the suicide arrived at the sky, the people asked him:"why"? He replied: " Because no one admired me" A learned man came to me once. He said " I know the way - come" And I was overjoyed at this. Together we hastened soon, too soon, were we where my eyes were useless. And I knew not the ways of mt feet. I clung to the hand of my friend, but at last he cried, " I am lost" Thanks to everybody for being there. You know who you are, and I love you very much. Especially RO, Mike G. 1994 CLASS HISTORY

Reflecting back on the memories can only build confidence in the dreams and ambitions of the individual. An old journey has ended and a new journey is just beginning. Departing full of dreams, hope, and confidence, the Class of 1994 bids farewell to Harwich High...

Freshman Year

In September 1990 a class of energetic and ambitious students entered Harwich High School. The year brought fundraisers, including the dunk tank and car washes.

Many loved ones were sent away to the Persian Gulf War. The Drama Club presented "The Sound of Music" and "Gentlemen Prefer Blondes". The class elected Sean O'Leary, Emma Levy, Tyan Latham, and Allison Eizenberg as officers.

"Gentlemen Prefer Blondes"

Sophomore Year

"The Pink Panther Strikes Again"

The first annual Harwich Homecoming was put on with Sean O'Leary and Nicol Kodak voted Duke and Duchess. The class officers were Nicole Kodak, Emma Levy, Tyan Latham, and Nathaniel McIntyre. Along with the first Homecoming came the first Mr. Harwich Contest. The Drama Club presented "Music Man" and "The Pink Panther Strikes Again". We grew closer and began to accomplish our goals.

Junior Year

The year of change: It began with the induction of President Bill Clinton. The new officers were Sean O'Leary, Justin Stone, Andrea Chilaka, and Colin Murphy. The Junior Prom was held at the Tara Hotel in Hyannis, where Angie Norwak and Ryan Nikula were crowned King and Queen. The Drama Club performed "Bye Bye Birdie". Many fine young scholars were honored at the Junior Award Ceremony.

"The Mousetrap"

"Bye Bye Birdie"

Senior Year

The year began with Homecoming '93. The King and Queen were Jason Pillsbury and Tyan Latham. The class elected Sean O'leary as well as Andrea Chilaka, Tyan Latham, and Will Scarbrough as officers. The Varsity Field Hockey team became C&I Champions while the Drama Club presented "Mousetrap" and the musical "Anything Goes". The Harwich Ski Club was formed. The Senior Banquet was held at Thompson's Clam Bar. Then on June 5, 1994 our class became graduates.
